Sub: Letter as per the decision of 176th ERC meeting

Sir,

The Eastern Regional Committee in its 176th meeting held on 9th October 2014 considered that a letter to the institution was issued on 24.06.2014 to transfer the land in favour of the institution and submit the registered land document in favour of the institution as the land was in favour of the society i.e. Marwari Balika Vidyalaya Society.

In response to the letter, the Principal of the college submitted its representation dated 22.07.2014 stated that:

"The institution is housed on 1.83 acres of land purchased by the Society in 1952, to be used solely for educational purposes. The buildings on the land are housing both Shri Shikshayatan School and Shri Shikshayatan College from the very inception. The School was established in 1954 and the college was established in 1955. The Trust in whose name the land is registered has established and is administering both the school and college. Under these circumstances it will not be legally feasible to transfer the land only in the name of "Shri Shikshayatan College".

In view of the above, the committee noted the possession of land of the institution.

2. In view of the above decision of the ERC you are hereby informed that the possession of land of the institution is noted by the ERC, NCTE.

Yours faithfully,

Regional Director
