- Debasree Ghosal
- Moumi Roy
- Neena Ghosh
- Maria Iqbal
- Sweta Gupta
- Rachita Das

### **Teachers: 13**

- **Resource Person:** N.A.
- **Name, Designation, Contact Details**
- **Brief Description of the Event:** The two week long programme was full of activities apart from the regular routine bound classes. Students of both Loreto as well as Shri Shikshayatan College enthusiastically participated in panel discussion, power point presentation, seminar and other hands on learning sessions.  
The power point presentation on Course EPC4 on the topic self esteem and its significance in personality development was held on 4th April 2024. This included participants from both Loreto College and Shri Shikshayatan College where the participants had to present presentation on the topic. This was really an enriching experience because all had learnt the importance of self esteem in

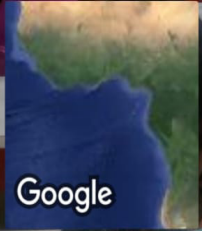

our life. They also learnt about the ways we can increase our self esteem and in turn they to be successful in life. This presentation trained us in improving our communication skills which is essential for achieving success in both personal and professional life. Our peers from Loreto college also appreciated and provided a positive feedback about this programme. Thus this was a wonderful and enriching experience altogether.

On the final day a JUST A MINUTE session was held where students of both the colleges shared their personal views and experiences related to certain serious problems and issues which touched everyone's mind and heart.

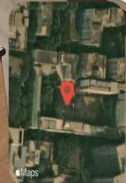

Overall the Academic Linkage Programme was a fruitful and memorable experience for students of both the colleges.

- **Outcome:** Students learnt to work in collaboration and Cooperation with each other. They also learnt to share views and ideas with others and the value of working in a mutually friendly environment.
