Remarks

good
The college has an excellent faculty preparing and motivating it's students for a better future.
Teachers should be non biased and pay attention to all the students.
Have had the best experience of the professional course.
If the college provided Post-Graduation degree for History then I would have never left
The way the economics department of SSC shaped me is remarkable. The professors were always so helpful to us.
Excellent faculty gave me a strong base in my discipline which helped me in my PG

Alumni Feedback

Excellent!!
Top-notch academics for future success. Supportive community fosters growth.
Please provide my mark sheets and degree for 2021 pass out during Covid
The B.Ed faculty is excellent and provides the best assistance. Does not discriminate among students and is always helpful.
I HAD A WONDERFUL EXPERIENCE WITH TEACHERS, ACTIVITIES AND AN INTERNSHIP. THANK YOU.
I have gained wonderful knowledge and experience.
Satisfactory
Overall very good.
Good
Students should be encouraged to participate in International and National symposiums. The college should take initiative to start courses on Environmental Science and Environmental Management.
The college should take part in inter College activities.
Really Good with curriculum, should be more updated with the current technology. And can do regular alumni outreach
All Good.
The college has nurtured me and helped me to grow in all capacities.
