

AWARENESS OF THE ENVIRONMENT WITH YOUNG MINDS: MAY 2025

NAME OF THE EVENT : World Environment day celebration

DATE : 16/05/25

VENUE : Harijan Vidya Mandir, Ambedkar Nagar, Howrah.

TOPIC : Eco vision drawing competition

PARTICIPANTS : Students of semester 2,4,6,(10)

DESCRIPTION: On 16th May 2025, NSS Shikshayatan College, along with the Shining earth foundation and Rise Above India, proudly hosted the Eco Vision Drawing Competition at Engaging Learning Creating Institution, Howrah.

With the theme “Our Earth, Our Responsibility,” children expressed their love and concern for the environment through their beautiful artwork. It was inspiring to see so many young minds come together to share their vision for a greener future.

All the children participated in making beautiful art work with crayons and water paints. Winning kits were given to the best artworks, the kit contained various art supplies. But since so many drawings and paintings had such beautiful messages we decided to give other kids small gifts which were tiffin and pencil box.

OUTCOME: The initiative aimed to spread knowledge among children and elders through art fun and activities. The necessity to save our planet Earth from any harms. A fun activity for the kids to learn new experiences.
