

NAME: One day Collaborative Horticulture Workshop

Organized by: Department of BOTANY, Shri Shikshayatan College in collaboration with Dinabandhu Andrews College, Fakir Chand College, Dhruva Chand Halder College and Raidighi College.

DATE: 05.02.2026

VENUE: Dinabandhu Andrews College, Kolkata

No. of Participants:

Students of Semester 3 (Major) (20 Students) and 1 Teacher

Brief Description: The workshop aimed to cover a major part of the techniques required for general horticultural practices. The programme aimed to familiarise students with the current trends of horticulture and enhance their knowledge on career opportunities in this area. The workshop being a collaborative one allowed peer interaction and better understanding of a part of regular classroom teaching.

Outcome: The visit enhanced students' experiential learning through demonstrations given by experts in the related field thereby strengthening their understanding of the theoretical classroom concept. This visit served as a foundational step toward establishing long term academic and laboratory-based collaboration.
