Description of the Event- The students of B.Ed., semester 4 visited Calcutta Blind School and K.L. Dhandhanial Vocational Training Centre for Sightless Women and explored the library, various classroom and observed workshops designed to impart vocational training to the children. The school's Principal warmly welcomed them and expressed her appreciation as the students presented soaps, sanitizers, and packets of chocolates for the children; the students visited Nirmala Shishu Bhavan, Missionaries of Charity and engaged in interactive sessions with the children, organized a short cultural programme for their entertainment, and contributed essential and thoughtful items; the students visited the Ramkrishna Mission Blind Boys' Academy, Narendrapur and explored its classrooms, library, and laboratories while engaging in meaningful interactions with the faculty and staff. As part of their contribution, they donated essential learning to support the education of visually impaired children; students visited Calcutta Deaf and Dumb School, where they gained firsthand exposure to teaching methods, classroom interactions, and lesson delivery practices for hearing-impaired learners. The visit was aimed at preparing them to effectively engage with such learners in future inclusive classrooms; Don Bosco Ashalayam is an organization that provides shelter and care to children who have been victims of trafficking. The students organized an interactive cultural session, where they presented a song and dance programme celebrating the advent of spring and the beauty of nature. The resident boys of Ashalayam also showcased their talents through recitation, singing, and dancing; in Shree the students participated in the Annual Art and Cuisine Fair of the college by making and selling sweet and savoury food items and handicrafts; the students visited St. Joseph Home for the Aged and donated old and new garments, woollens, utensils, toiletries, and dry food items to the residents.

Outcome- The visit provided the students with invaluable firsthand exposure to classroom teaching in a school for the visually impaired, deepening their understanding of inclusive education practices; The initiative sensitized the students to the challenges and unmet needs of destitute individuals, who are often marginalized and neglected by society, fostering in them a deeper sense of empathy and social responsibility; The visit provided the students with valuable insights into the teaching-learning methodologies adopted for visually impaired learners. This experience has equipped them with the knowledge and sensitivity required to foster inclusivity in their future classrooms; the experience sensitized the students to the unique needs of hearing-impaired learners and equipped them with the necessary skills to manage inclusive classrooms with empathy and confidence; The campaign made the students aware of the common misconceptions that society holds about differently abled children. With this realization, they actively promoted the organization's mission of integrating physically and mentally challenged children into the mainstream of society; The event sensitized the students to the challenges and needs of destitute children, who are often marginalized and abandoned by society. It also fostered in them a deeper sense of empathy, social responsibility, and commitment towards inclusive growth and community service; in Shree the students actively participated in the Annual Art Cuisine Fair, where they developed a strong sense of cooperation and teamwork while working collectively towards a noble cause; the programme sensitized the students to their social responsibilities and fostered a deeper sense of respect and care for neglected senior members of society.
