**Brief Description of the Event** : On the occasion of World Environment Day, Shri Shikshayatan College participated in the Stated-Wide Plantation Drive organised by Calcutta Chamber of Commerce, West Bengal. The objective was to foster environmental consciousness and encourage collective responsibility towards sustainable living. The event witnessed active participation from students, who contributed to the plantation of medicinal and decorative saplings within the campus premises. Plants possessing medicinal properties such as Basak and Neem were planted alongside Aparajita, Tagar, Hibiscus and Red Shoot to educate the students about their many benefits. The event was marked by a soulful rendition of a song celebrating nature, followed by poem recitations both in Hindi and English. Through this initiative, the institution reaffirmed its commitment to environmental preservation while inspiring young minds to participate meaningfully in building a greener and healthier future.

**Outcome of the Event** : The event concluded on an impactful note, instilling among the participants a deeper sense of environmental responsibility and awareness regarding planting practices. The plantation drive not only enhanced the green cover of the campus, but also encouraged students to recognise the importance of medicinal plants and ecological conservation. The initiative served as a meaningful step towards promoting collective action, environmental sensitivity, and long-term commitment towards a greener future.
