Brief Description of the Event: The students of Semester VI and IV of the department went to the High Court for the Institutional Visit, facilitated by Mr. Tanmoy Ghosh, Assistant Court Officer, from the Registrar's Office at the Court. Mr. Ghosh pointed out notable rooms within the premises, which had a rich history and clarified the technical aspects of the procedure. The visit spanned all three floors of the old building, with detailed explanations of the functions of specific departments that were pertinent to their syllabus. The working of the Police within the premises outlined the dynamics of the executive and judiciary. Notably, the students were granted an audience with the Chief Justice of the Court amidst the proceedings of a case. Finally, smaller groups were sent to various courtrooms to observe proceedings and gain insights into the diverse range of issues addressed by the judiciary at the state level.

Outcome: This visit enhanced the understanding of judicial procedures and structures as outlined in their syllabi. By gaining practical exposure to the processes and personnel, the students could also link historical events with the technicalities of the judiciary.
