Brief Description of Event:

The session commenced with an introduction to the theme of the competition, “Bengal”, encouraging participants to reflect on the rich cultural, historical, literary, and social heritage of the region. Students drew topics at random and spoke extempore, demonstrating clarity of thought, spontaneity, confidence, and effective communication skills. The competition provided an excellent platform for students to discover constraints, and learn from the diverse perspectives shared by their peers. The resource person appreciated the participants' originality and offered constructive feedback on content, delivery, articulation, and confidence, inspiring students to continue developing their public speaking abilities.

• ***Outcome:***

The competition concluded successfully with three splendid winners being recognised for their outstanding performances. Every participant was awarded a certificate of participation in appreciation of their enthusiasm and effort. The event fostered confidence, quick thinking, and effective expression, making it a meaningful and enriching learning experience for all.
