### **NUMBER OF PARTICIPANTS**

**STUDENTS** - 64

**TEACHERS** - 5

### **RESOURCE PERSON**

1. **NAME** - Shibangi Roy

**DESIGNATION** -Relationship Manager , Leap Scholar

2. **NAME** - Swastika Ghosh

**DESIGNATION** -Education Coach, Leap Scholar

### **BRIEF DESCRIPTION OF THE EVENT**

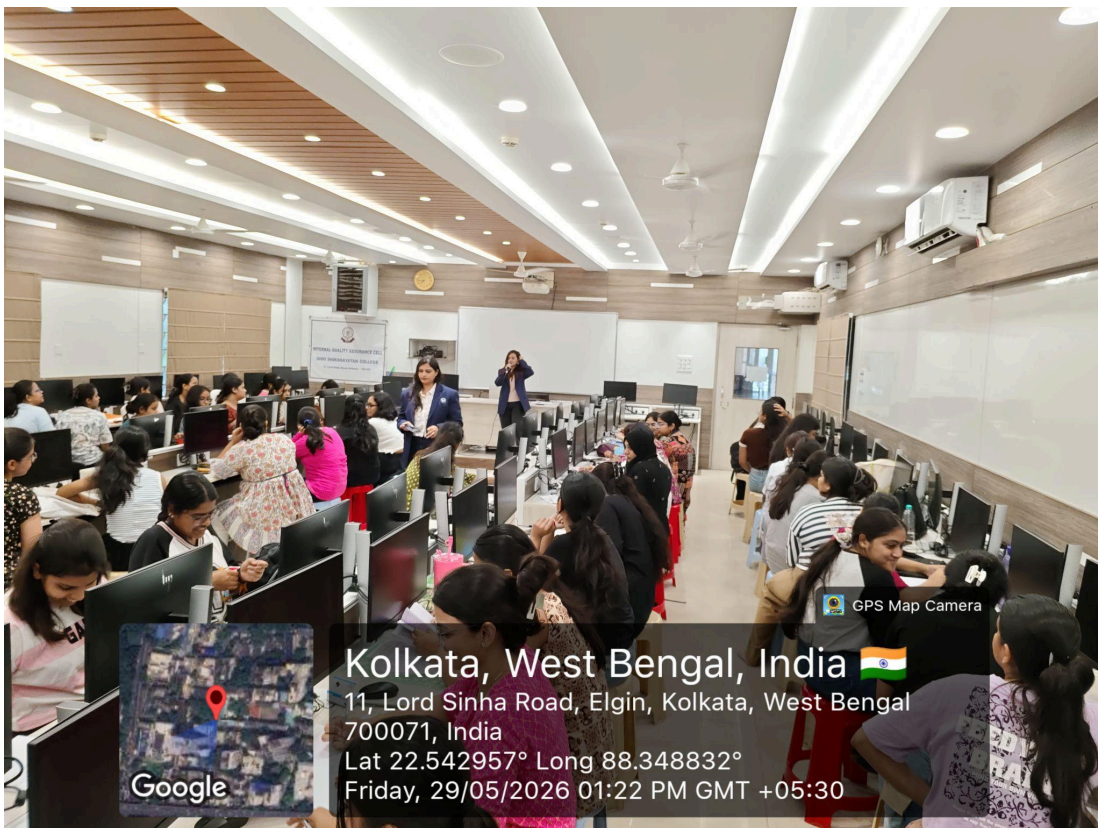

The objective of this seminar was to guide students on international education opportunities, scholarships, education loans, visa processes, and career pathways abroad.

The session was conducted by Leap Scholar, which supported students through every stage of their overseas education journey.

## OUTCOME

- Students gained awareness of higher education opportunities available in various countries and universities.
- Students understood the different scholarship options, education loan facilities, and financial planning required for studying abroad.
- Students became familiar with the visa application process, documentation requirements, and admission procedures.
- Students received guidance on career prospects, post-study work opportunities, and global employment pathways.
- Students were able to make more informed decisions about pursuing international education and planning their study-abroad journey with greater confidence.
