

# MEDICAL COMMITTEE REPORT

(2020-21)

## WEBINAR ON MENTAL WELLBEING:

- ❖ Due to the Covid-19 pandemic and subsequent lockdown, the Medical Committee of the college had arranged for two webinars for the students of the college.

In view of the stress and anxiety being faced by the students completely cut off from friends and campus life, the first webinar was on "Mental Health Wellbeing". Because of the unexpected high number of registration by students, this webinar which was scheduled for one day, had to be repeated on three consecutive days to accommodate all interested students of all UG departments. Nearly 350 students took part in this Webinar from 14<sup>th</sup> to 16<sup>th</sup> October 2020 conducted by Dr Nicola J Flynn, Consultant Psychiatrist of Ruby General Hospital. E-certificates were given to all participants

## WEBINAR ON AIDS AWARENESS:

- ❖ On 19<sup>th</sup> of February 2021, a Webinar on 'AIDS Awareness' was organized by the Medical Committee of the college for the Post graduate students of English, Commerce and B.Ed departments. Dr Manali Bhattacharya, Consultant physician of Ruby General Hospital made a presentation along with an interactive session with the participants. E-certificates were mailed to all the 100 participants of the Webinar.
