Objectives of the Visit

The event aimed at promoting physical health and wellness and strengthening community and meaningful partnerships.

The Annual Sports Meet of the Shining Earth Foundation, held on Sunday, February 22, 2026, at Jatia Seva dal ground, Howrah from 10:30am, was a vibrant celebration of talent and resilience for 120 children from marginalized communities. The day was filled with high-energy events, including the competitive 50m race, a Zumba dance session, and the sack race, all of which showcased the participants' incredible spirit. The college sponsored the prizes for the winners which added a sense of prestige to the competitions.

Outcome of the Event

This collaborative effort transformed the sports meet into a powerful platform for inclusion and joy, leaving the young athletes with lasting memories and a sense of great achievement.
