Date: October 27, 2024

Number of Participants

Students: 82

Teachers:16

Brief Description of the Event: A blood donation camp was organised on the college premises in collaboration with Blood Connect. Volunteers, students, and teachers donated blood after health check-ups throughout the day, with NSS volunteers aiding the doctors and helping with the associated tasks.

Outcome: This camp helped shape perspectives on blood donation and its vital benefits for the larger population. The student volunteers were also oriented in the registration process, caring for the donors and working with the doctors.
