

DEPARTMENTAL ACTIVITY: MAY 2023

EVENT: OUTDOOR COLLECTION OF PLANTS SPECIES FOR DIVERSITY DETERMINATION BY MATRIX METHOD (CC-10 Practical Topic 3)

PARTICIPANTS: SEMESTER IV (43students)

DATE: 18.05.23

TIME: 9am – 11am

VENUE: RABINDRA SAROVAR

CO-ORDINATOR: Dr SUSMITA SEN

OUTCOME: Unlike previous years, when collection of plant species was done in the limits of the college campus, the students got an opportunity to collect a variety of plant species from the vast expanse of the Rabindra Sarovar Area of South Kolkata.
