BRIEF DESCRIPTION OF THE EVENT

CA Sanjay Mundhra, renowned tax expert and memory technique specialist, led an intensive revision session on e-filing for SEM VI students. He demonstrated the Income-tax return process, clarified key provisions, shared practical step-by-step filing tips, and addressed common mistakes. His engaging teaching style ensured students gained both conceptual clarity and filing confidence.

OUTCOME

As a result, SEM VI students gained practical competence in e-filing, able to accurately complete ITR forms and navigate the online portal. They now confidently address common errors, apply key provisions correctly, and follow a structured, step-by-step filing process. Overall, the session significantly boosted their self-reliance and efficiency in tax return submission.
