The discussions focused on syllabus content, pedagogical challenges, examination patterns, research methodology, fieldwork components, and the overall feasibility of completing the curriculum while maintaining conformity with UGC guidelines and academic standards.
- OUTCOME: The workshop culminated in a collective agreement on the need to rationalize and streamline the Sociology syllabus by reducing conceptual overlaps,

eliminating ambiguities, and specifying the scope of topics more clearly. Participants emphasized strict adherence to the prescribed syllabus in question setting, simplification of complex and repetitive units, improvement of fieldwork and evaluation guidelines, and the incorporation of student-friendly modifications. The recommendations aimed to enhance curricular coherence, teaching effectiveness, learning outcomes, and uniform implementation of the CCF framework across colleges.
