

NAME OF THE EVENT: Awareness Programme on Cyber Crime against Women

ORGANIZED BY: Internal Quality Assurance Cell

COLLABORATOR: Sister Nivedita University, Kolkata

DATE: 09.09.26

VENUE: Room 212

NUMBER OF PARTICIPANTS: 110 students and 15 faculty members

BRIEF DESCRIPTION OF THE EVENT:

The programme for disseminating awareness on Cyber Crime against Women was organized by Shri Shikshayatan College where representatives of Kolkata Police (Cybercrime division) and Sister Nivedita University were invited. Sub Inspector Shri Ranjan Chakraborty, Lady Constable Ms Madhurjo Bhattacharya of Cyber Security & Cyber security Squad and Lady Constable Ms. Sukla Ghosh were present on behalf of Kolkata Police. Mr. Akash Bhuinya, Faculty Department of Law and Smt. Papiya Ghosh, Programme Director, School of Lifelong Learning from Sister Nivedita University were also present.

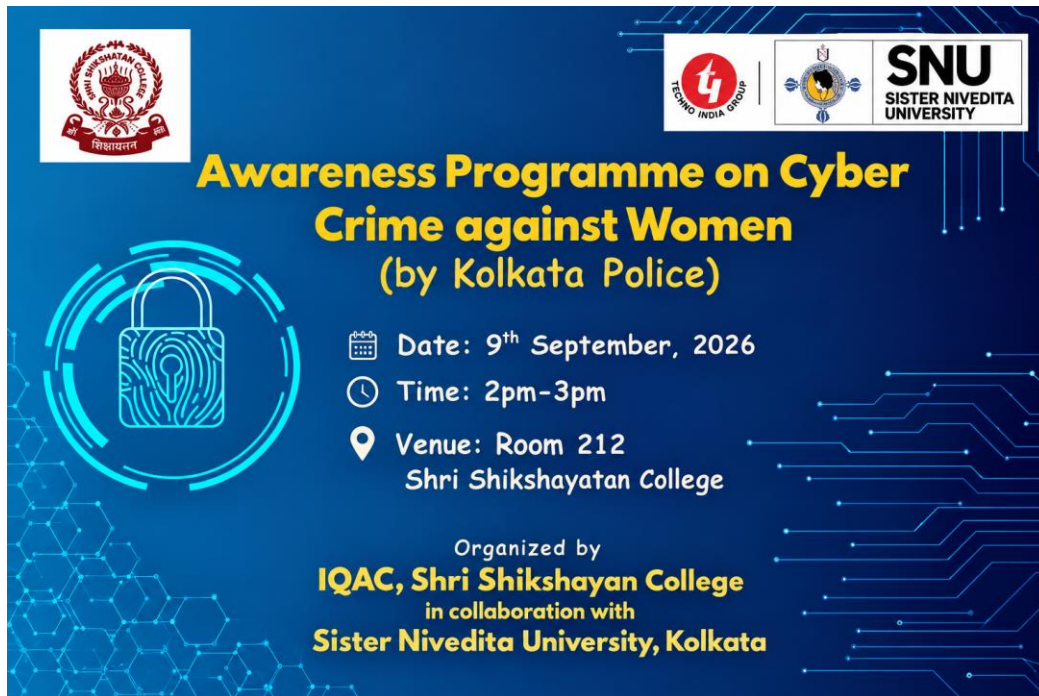

Cybercrime is a menace in today's world. The more we have become dependent on technology, the scope of increasing crime has multiplied in leaps and bounds. Our daily usage of internet, apps, social networking sites has opened us unknowingly to different threats and challenges. After the welcome note delivered by our respected Principal Dr. Tania Chakraverty, the Sub-Inspector Shri Ranjan Chakraborty vividly focused on the different kinds of frauds that may happen with any of us, especially the women. For instance, the online matrimonial fraud, job/ modeling scam, location/ privacy tracking, account hacking/ account takeover, Deepfake/ AI Generated Abuse, online sexual harassment, cyber defamation, identity theft, phishing & social engineering, impersonation, cyber grooming, sextortion, non consensual intimate image sharing, morphed/ edited images etc. After his address, Ms. Madhurjo Bhattacharya took over. She focused on the coping measures that we can adopt if we fall prey to any kind of cybercrime discussed by Shri Ranjan Chakraborty. She appealed to the students to call 1930 or report at cybercrime.gov.in. She shared certain cyber safety tips for women. Mr. Akash Bhuinya, on the other hand discussed the legal perspective on cyber crime and mentioned the Indian Penal Code protection for women. He highlighted the importance of Golden Hour complaining ie. complaining immediately after the cybercrime has taken place. Sancharsathi app can be used for this purpose.

As the National Anti Ragging Week was observed by the College from August 12 to August 18, 2026, apart from series of special lecture an anti-ragging slogan competition and online logo designing competitions were also held. The recipients of prizes of the competitions were declared and Lady Constables Ms. Madhurjo Bhattacharya & Ms. Sukla Ghosh did the honors.

OUTCOME OF THE PROGRAMME

The two major outcomes of the programme are that the students have become aware of the different types of frauds that may happen at various intensities. One might get into different fun activities like stalking, trolling but one must know the consequence of it. Secondly, the students become equipped with the knowledge of what is to be done if one fall prey to cybercrime in any form.

The programme was a huge success as the students listened to and interacted with the invited speakers and addressed different queries that came to their mind.

The poster is for an awareness programme titled "Awareness Programme on Cyber Crime against Women (by Kolkata Police)". It features a blue background with a circuit-like pattern. At the top left is the logo of Shri Shikshayan College. At the top right are the logos of Techno India Group and Sister Nivedita University (SNU). The main title is in large, bold, yellow and white text. Below the title is a graphic of a padlock with a fingerprint. To the right of the graphic, the date, time, and venue are listed with corresponding icons. At the bottom, it states the organizers: IQAC, Shri Shikshayan College, in collaboration with Sister Nivedita University, Kolkata.
