College

BRIEF DESCRIPTION OF THE EVENT

A special lecture was organised by the college for the students of B.Com Semester IV. The programme focused on three important subjects: Direct Tax II & E-Filing of Tax Returns, Business Regulatory Framework, and Financial Accounting II. Three subject experts were invited to deliver insightful lectures on these topics. The experts explained the concepts in a simple and practical manner for better understanding of the students. The session on Direct Tax II focused on important provisions and practical aspects of direct taxation.

Students were also guided on the process and importance of e-filing income tax returns. The lecture on Business Regulatory Framework covered essential legal and regulatory aspects of business. Financial Accounting II was discussed with emphasis on accounting concepts and their practical applications. The experts shared valuable examples and clarified various doubts raised by the students. The interactive sessions helped students connect their classroom learning with real-world applications. The programme proved to be highly informative and beneficial for the academic and professional development of the students. The event concluded with a vote of thanks to the guest experts, faculty members, and students for their active participation.

OUTCOME

The programme enhanced students' understanding of Direct Tax II and its practical applications.

- The session helped students understand the importance of tax compliance and timely filing.
- Students developed a better understanding of the Business Regulatory Framework and its relevance to businesses.
- The lectures strengthened students' conceptual knowledge of Financial Accounting II.
- Students were introduced to practical examples and real-life applications related to the subjects.
- The interaction with subject experts helped students clarify their doubts and misconceptions.
- The programme encouraged students to relate their classroom knowledge to professional practices.
- Students gained valuable insights into current practices and requirements in taxation, accounting, and business regulations.
- Overall, the programme contributed significantly to the academic and professional development of the B.Com Semester IV students.
