Resource Person- NA

Brief description of the event:

The program was formally inaugurated by the Principal, Dr. Tania Chakraverty, who spoke about the urgent need for environmental stewardship and the importance of both individual and collective efforts in addressing environmental challenges. Following the inauguration, Dr. Debnita Chakravarti, Associate Professor, Dept. Of English, delivered an engaging address that underscored the critical role of education in promoting sustainability and mindful living.

A series of events were organized to mark the occasion:

Photography Contest: Participants captured striking images that highlighted various environmental themes and issues.

Digital Poster Making: Students created visually impactful posters to convey messages of environmental protection and sustainability.

Extempore Competition: Students eloquently expressed their thoughts on environmental topics through impromptu speeches, showcasing their critical thinking and communication skills.

Waste-to-Wealth Upcycling Activity: This innovative event encouraged participants to transform waste materials into useful items, promoting the importance of reuse and recycling in daily life.

Outcome:

The program brought together students, faculty, and staff to foster environmental consciousness and responsibility within the college community. The program saw active participation from 17 students, while 79 students and 25 faculty members attended the event, reflecting a strong community interest and enthusiasm for environmental issues.
