DATE : 19th September 2025

VENUE : Room 303

TIME : 11 am to 1 pm

NUMBER OF PARTICIPANTS: Students (53) Faculty (4)

RESOURCE PERSON : Mr Sauraveswar Sen of Catalyst Learning Services, a visiting faculty at TISS, and St. Xavier's College, Mumbai

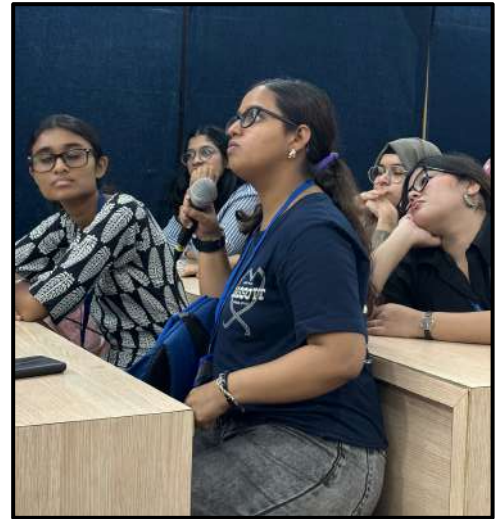

BRIEF DESCRIPTION OF THE EVENT :

During the event, the speaker provided valuable insights into career opportunities within the social sectors. Emphasis was laid on the significance of climate action, which helped students to gain a broader understanding of potential career paths related to both geography and societal needs. The perspectives shared by the resource person enabled the students to see how their academic background could be leveraged to make a meaningful contribution to society, particularly in areas related to social development and environmental responsibility.

OUTCOME OF THE SESSION

The session served as a source of significant motivation for the students, encouraging them to look beyond the confines of traditional classroom learning. The session effectively highlighted how concepts learned in geography can be translated into meaningful actions that have a positive impact on society. This experience has prompted students to consider how their educational background can contribute to societal development and foster a sense of responsibility towards making meaningful contributions in their communities.
