

# STUDENTS' COUNCIL PROGRAM

**NAME: AWARENESS ON CYBER CRIME**

**DATE: 27<sup>th</sup>September, 2024**

**TIME: 12 noon to 1 pm**

**VENUE: Auditorium**

**CO-ORDINATOR: Students' Council, Shri Shikshayatan College**

**SPEAKER: Mr Sandeep Sengupta [ Founder-Director of Indian School of Anti-Hacking; Chairman-Security SIG, Nasscom]**

**TOPIC: Cyber Security: The Essentials**

**PARTICIPANTS: 400 students and 8 faculty**

**DESCRIPTION: The session dealt with the fundamental and core skills to protect sensitive data using firewalls, access control, malware protection etc.**

**OUTCOME: The session helped the students to become aware of cybercrime which would help in protecting themselves from the increasing cases of cyber-attack. The speaker shared real life events of cyber-crime warning the students about AI, fake apps and the danger of social media. This would not only help them navigate the digital world safely but also encourage them to use technology responsibly.**
