OUTCOME: The programme was organized as part of the Anti-ragging Week being observed in institutions across the country from 12th to 18th August 2025. It was an endeavor chiefly to raise awareness among the new entrants about the harmful effects of ragging rampant across the country in educational institutions. The aim was to highlight the importance of a safe and secure environment for all our students and this was emphasized by our Principal, Dr. Tania Chakraverty, in her inaugural address. With his vast experience and background in Law, our guest speaker spoke about the different forms of ragging and various laws and regulations in place to tackle this menace. The insightful and informative session was effective and well received.
