Remarks

No library help to find books , can't borrow books >Rs.500. Books not arranged alphabetically. Lady attendants don't let students sit in classrooms during breaks even in summer

I am very much satisfied with all the resources and behaviour of the College but there should be classes for sports who don't know how to play but are interested to learn

Library staff can be a bit more student friendly

The library assistance often tell students to quite down by shouting which instead disrupts the silence of the library more than their whispers.

Teachers gossip about students, how are we supposed to be satisfied?

Some teachers should be more understanding and caring towards teaching. Even after expecting for 3 years, cultural fest (Srijan) is awaited. More career scopes are needed.

we need a dress for convocation as well as college programmes for all departments -sem6
