Remarks
My college experience has been great till now.
I am happy to take admission in this college. Teachers are very good and helpful. They communicate with students and solve their doubts.
Economics teachers often neglect completing the syllabus of minor students and often cancel classes which makes it hard for minor students
Please inform the students about the syllabus 1 week before the internal exams.
The learning environment of Shri Shikshayatan College is excellent . The methods of teaching imparted by our respected teachers are superb.I feel proud of being a student of this institution.
I HIGHLY APPRECIATE THE KIND OF HELP GUIDANCE AND COOPERATION I'M GETTING FROM THE DEPARTMENT IN PURSUING MY ACADEMIC ACTIVITY.
Amazing experience in this college
Our departmental teacher's are the best to make us able to learn
The overall quality of teaching is good.
College doesn't focuses on our health
The canteen food has seen significant improvement, but unfortunately, the air conditioning in room 314(B) is not functioning properly. However, it's worth noting that the overall college facilities have shown improvement.
The canteen does not provide with food in time.All of the items which are mentioned are not available.
The canteen does not provide food in time. All the food items which are mentioned are not available.
College hours for Geography honours are too long. It shouldn't be starting from 9:40am and ending at 4:10pm. That way students don't have time for extracurricular activities as even on Saturdays, classes take place.
Some of the teachers are uncooperative, harsh, non understanding, don't explain topics and blindly dictate notes which are sometimes extra and unnecessary. Rest are really good.
Keep the good work
Organizing more inter or intra school event can be beneficial for the students.
Allow using tabs or device for studying purpose only.assign teachers who give give self defence training in college.psycologist should be there for emotional and mental health wellness of college students.
Good college with great faculty and healthy environment.
An appropriate time for summer vacation should be given,and usually during the peak summer months.
We need more extracurricular opportunities in college. The strict timetable tires is physically and emotionally, not enabling us to dedicate time to other aspects of college.
All my teachers are very co operative and helpful.
Good
